Product Information

TerraStrand®

We are committed to continuous improvement, both in product and in process. Among our most significant environmental advancements is discontinuing the use of petroleum-based plasticizers that are typically used to soften extruded yarns and replacing them with phthalate-free, renewable vegetable compounds. We call these innovative yarns TerraStrand.

- TerraStrand, the proprietary name of our yarn, is 100% phthalate-free.
- TerraStrand contains 25% renewable vegetable content.
- Every square yard of TerraStrand saves 0.02 gallons of petroleum and 0.41 pounds of CO_2 as compared to conventional woven vinyls.

MADE IN USA

All of our woven placemats and rugs are made in the USA, and finished in our own facility in the USA. Our quality, sustainability, and original design set us apart from all others.

The Chilewich® collection is made in the USA, with the following exceptions:
Bloom, Dahlia, Daisy, and Petal made in Taiwan.

Chilewich prides itself on originality. We specialize in the design and manufacture of woven vinyl textile products for both residential and commercial use. Vinyl is extremely durable, easy to maintain, and provides us with endless creative possibilities.

Unlike many tabletop products, our textiles can be easily washed with just water and bio-degradable detergents, helping to reduce energy expenditures and laundering costs while maintaining a unique, elegant aesthetic.

MICROBAN®

Our woven vinyl products also contain Microban® antimicrobial protection. Microban® works continuously for the lifetime of the product to inhibit the growth of stain- and odor-causing bacteria, mold, and mildew.

GREENGUARD

Chilewich textiles are covered by the GreenGuard® program certified by the GreenGuard® Environmental Institute, which protects human health and quality of life through the reduction of chemical exposure and improved indoor air quality.

beORIGINAL™ Member

PROTECTING ORIGINAL DESIGN ACROSS NORTH AMERICA.

Chilewich is pleased to participate in Be Original Americas: an association of like-minded brands, consumers, design professionals, educators, and institutions that recognize the importance of original design and are committed to the protection of its consumers and authors.

We are passionate about offering something new, whether it's a novel application, an innovative process, a repurposed technique, or a fresh juxtaposition of textures and colors.
