CHARM

From organizing free-floating accents into a cohesive display to playing with shape and texture, a well-placed tray saves the day (and looks good doing it). Charm adds flair with a collection of decorative bowls, coasters, and napkin rings in chrome, gold, or black hues. These items are the perfect choice for those who appreciate both modern and subtle Japandi influences.

MARBLISS

The Marbliss series brings the luxury of real marble to your kitchen. With its rough exterior, these mortars, wine coolers and glass coasters are practical eye-catchers that you would rather not hide away in a cupboard. Perfect for those who love robust, solid and natural material in a modern setting. The series consists of mortars, a wine cooler, glass coasters and spice jar with lid. To extend the life of your mortar and spice jars, we recommend treating the inside with a layer of vegetable oil. Leave this on overnight and wipe off excess product with a clean cloth. This will make your mortar and spice jar resistant to stubborn foods!
